The Board, through policy/regulations, will provide appropriate flexibility in budget management to enable administration to make the most effective use of fiscal resources within the approved budget.

Annually, the Finance and Audit Committee, (in consultation with the Superintendent *of Schools/CEO*), will develop a budget timeline, solicit input from the partner groups, and the general public, and recommend an operating budget to the Board.

### 3.2 Budget Monitoring

The Committee will receive reports on a regular basis, or as requested, outlining the status of the budget and forecasts for the remainder of the year. Information will be presented by function and major spending categories. The Secretary-Treasurer/*CFO* and/or the Assistant Secretary-Treasurer will advise the Finance Committee of significant deviations from the approved budget. After the review is complete, the reports will be forwarded to the Board, along with any recommendations from the Committee.

### 3.3 Budget Management

These tasks are facilitated by asking questions about the quality of work done by management, participating in the audit planning and reporting process, understanding and reviewing the aspects of the operation that put the school district at risk and the district's preparedness to face that risk.
