Re: 2020/2021 Budget Survey Questions DRAFT

Please find below a list of draft budget survey questions for consideration. Per Policy 160 Finance and Audit Committee, section 3.1 Budget Development, on an annual basis, the District is required to solicit input from the partner groups and the general public on the development of the next year's budget.

1. With regard to your child's education, what is most important to you and why?
2. What changes to programs, services and/or activities would you like the District to consider as we develop the 2020/2021 budget?
3. Are there other efficiency measures or cost-saving ideas we should consider as we develop the 2020/2021 budget?
4. If the new Ministry funding model results in a budget shortfall, what programs, services and/or activities would you like to have the District prioritize.
5. What other information would you like us to know that will help us establish next year's (2020/2021) budget?
